Dear families,

Welcome to the After School Program at New Hampton Community School! The staff and I are so excited for this upcoming year and have already been planning exciting activities and opportunities for your child!

Our program runs Monday through Thursday from 2:00 to 5:30. Each day your child will be provided with healthy snack choices, physical activities, homework assistance, and enrichment clubs. During the next two weeks, your child will be involved in learning routines, expectations, and get to know you activities. Our first session of clubs will begin the week of September 14th. More information will be provided in the upcoming week of the choices your child will have each day.

At NHCS Project Promise, we are extremely lucky to have such a qualified and dedicated staff working with the students that attend our program. Most after school staff work at NHCS during the regular school day and extend and share their talents and expertise one or more days in the after school program. Please stop by NHCS to meet these wonderful individuals:

Shelley Doucette-Site Coordinator

Deb Graham-Homework Tutor and Club Leader

Melissa Markey-Homework Tutor and Club Leader

Scott McCann-Homework Tutor and Club Leader

Mary Simard-Homework Tutor

Be on the lookout for more information about enrichment clubs and permission slips for upcoming activities early next week.

Please contact me at [sdoucette@sau4.org](mailto:sdoucette@sau4.org) or 744-3221, ext. 7001 if you have any questions or need more information.

Thanks so much!

Shelley Doucette
