

# Halloween with a focus on helping our neighbors

NHCS will be taking a little time out of our school day to celebrate, as a community, the creativity of students and staff members, have some fun, and collect nonperishable food items for our local food bank.

Below is information about this celebration:

- Costumes will reflect the school rules and dress code (no swords, knives, guns or weaponry of any kind, belly-shirts, short skirts, etc.).
- Costumes should have a positive theme (no violence, gore, extensive blood, etc.).
- Although we want our students to “dress up”, please be aware that during the parade, students will need to be able to see, as they will be walking around outside.
- For our Halloween parade, due to the short amount of time to get dressed and limited changing areas, we are saying no make-up and face paint
- Please use this opportunity to choose a historical person, favorite character in a story, an inspiring artist or athlete.

**If a student does come to school with an inappropriate costume and/or accessories, the student will not be permitted to wear the costume. As a community, we need to take the initiative in keeping this a wholesome event.**

## Halloween Parade—Wednesday, October 31

- |            |  |
|------------|--|
| 12:50-1:15 | Students will put on their costumes  |
| 1:15-1:30  | Costume Parade outside around our school complex into the “witches den” to drop off their nonperishable food items |
| 1:30-1:50  | Simple snack in the classroom  |
