Ann Holloran, Principal

It was a great year! Keep reading and have a happy relaxing summer!

Every year, our fourth and fifth graders participate in a writing/poster contest sponsored by Friends of the Gordon-Nash Library. There were many wonderful essays for the panel of judges to read through. Congratulations to all our young writers, who were recognized at Thursday's assembly. First place honors went to: Fourth graders –Emma Goucher, Brody Huckins, Ceili Irving, Ava Kosakowski, Asher Murphy, Emma Yarnell, and Joshua York. Fifth graders – Mia DiFilippe, Nicholas Gilbert, Beau Jarvis, Tucker Magrauth, Carter Masterson, Caitlyn Mitchell and Hannah Pimentel.

Information about the Summer Reading Program at New Hampton's Gordon-Nash Library is here <https://goo.gl/DvAZmu>, and includes a link to a poster about weekly programming for kids and families. You can also call the library at [744-8061](tel:744-8061) for more information. Continued reading through the summer has been shown to benefit children - and the Gordon-Nash makes it fun!

On August 23, our kindergarten open house will be at 5:30 followed by Ms. Holloran's Ice Cream Social at 6:00. Hope to see you there.
